EDUCATION

University of Toronto

May 2027

Bachelor of Science - Computer Science (Honours)

- Computer Science Specialist, Mathematics Minor, Entrance Scholarship for Academic Merit.

EXPERIENCE

Software Developer | *Angular, .NET Core, SSMS, Node.js, Git*

May 2025 - August 2025

Axiom Group Inc.

- Deployed and maintained ERP (Prism) features **used by 250+ employees** across Canada, USA, and Mexico.
- Delivered **15+ production features** across inventory, HR, and accounting, aligning with department leads.
- Facilitated feature customization with operations, materials, and export managers to **optimize supply chain**.
- Streamlined frontend system migration from version 8 to 19, reducing live production build times **by 30+ seconds**.

PROJECTS

🔗 | Fly-Easy

- **Led a team** in creating an airport companion app with several features such as an event planner, airport tracker, restaurant and hotel bookings, and realtime departure countdowns, for all-in-one user convenience.
- Integrated **Google's Places API** for location tracking and Aerodatabox API for **realtime airport/flight status**.
- Implemented classical AI constraint satisfaction with greedy algorithms to generate personalized itineraries.
- Assessed efficiency of algorithms using evaluation scripts against Anthropic's Sonnet 4.5 constraint solving, and beating them with a score of **85 versus Claude Anthropic's 83**, due to better hard constraint satisfaction.

🔗 | Pathway

- Developed a course and program **scheduling tool for students**, with AI integration for tailored requests.
- Improved efficiency by **reducing course search time by an estimated 70%** compared to manual browsing.
-

ACTIVITIES

SKILLS

Languages: Python, Java, HTML, CSS, Javascript, Typescript, SQL, C, C++, C#, Assembly

Frameworks/Libraries: Angular, Next.js, React Native, NumPy, .NET Core, EF Core, Flask, BeautifulSoup, Unity

Databases: Microsoft SQL Server, MySQL, PostgreSQL

Relevant Coursework: Data Structures and Algorithms, Databases, Machine Learning, Artificial Intelligence, Modern Symbolic Logic, Critical Thinking.
