EDUCATION

University of Toronto

September 2023 - May 2027

Bachelor of Science - Computer Science (Honours)

- Computer Science Specialist, Mathematics Minor, Entrance Scholarship for Academic Merit.

EXPERIENCE

Software Developer

May 2025 - August 2025

Axiom Group Inc.

- Deployed and maintained ERP (Prism) features **used by 250+ employees** across Canada, USA, and Mexico.
- Delivered **15+ production features** across inventory, HR, and accounting, aligning with department leads.
- Facilitated feature customization with operations, materials, and export managers to **optimize supply chain**.
- Streamlined frontend system upgrades for decade old system, reducing production build times **by 30+ seconds**.

PROJECTS

🔗 | Fly-Easy

September 2025 - December 2025

- **Led a team** in creating an airport companion app with several features such as an event planner, airport tracker, restaurant and hotel bookings, and realtime departure countdowns, for all-in-one user convenience.
- Implemented classical AI constraint satisfaction with greedy algorithms to generate personalized itineraries.
- Assessed efficiency of algorithms using evaluation scripts against Anthropic's Claude Sonnet 4.5 constraint solving, and beating them with a score of **85 versus Claude's 83**, due to better hard constraint satisfaction.

🔗 | Pathway

February 2025 - April 2025

- Managed a course and program **scheduling tool for students**, with AI integration for tailored requests.
- Improved efficiency by **reducing course search time by an estimated 70%** compared to manual browsing.
- Coordinated team schedules and consulted domain experts to refine product decisions and improve solution quality.

ACTIVITIES

Toastmasters International - Junior Masters Gavel Club

September 2016 - June 2023

- Won the International Speech contest in 2023 for the **best junior club speech** in North America.
- Achieved Advanced Communicator Gold, for **over 40 public speeches** in diverse topics/techniques such as storytelling, humour, persuasion, professionalism, entertainment, and speaking to inform.

Junior Achievement

May 2022 - August 2022

- Co-founded a t-shirt brand to sell **for charity, and to spread messages for climate change**.
- Headed loss prevention and materials procurement, overseeing inventory and operational logistics.

SKILLS

Technical Skills: Python, Java, HTML, CSS, Javascript, Typescript, SQL, C, C++, C#, Assembly, Bash

Databases: Microsoft SQL Server, MySQL, PostgreSQL, Azure, AWS

Tools: Word, Excel, Powerpoint, Microsoft Office, Vim, Google Workspace

Soft Skills: Strong communicator, Quick learner, Adaptable, Open to criticism, Problem Solving, Cross Collaboration

Relevant Coursework: Data Structures and Algorithms, Databases, Machine Learning, Artificial Intelligence, Modern Symbolic Logic, Critical Thinking
